Fixture 07: table header repeated on every page

No.	REPEATED HEADER LABEL	Detail
1	Repeated header row 1	Body row 1 keeps the table long enough to span several pages.
2	Repeated header row 2	Body row 2 keeps the table long enough to span several pages.
3	Repeated header row 3	Body row 3 keeps the table long enough to span several pages.
4	Repeated header row 4	Body row 4 keeps the table long enough to span several pages.
5	Repeated header row 5	Body row 5 keeps the table long enough to span several pages.
6	Repeated header row 6	Body row 6 keeps the table long enough to span several pages.
7	Repeated header row 7	Body row 7 keeps the table long enough to span several pages.
8	Repeated header row 8	Body row 8 keeps the table long enough to span several pages.
9	Repeated header row 9	Body row 9 keeps the table long enough to span several pages.
10	Repeated header row 10	Body row 10 keeps the table long enough to span several pages.
11	Repeated header row 11	Body row 11 keeps the table long enough to span several pages.
12	Repeated header row 12	Body row 12 keeps the table long enough to span several pages.
13	Repeated header row 13	Body row 13 keeps the table long enough to span several pages.
14	Repeated header row 14	Body row 14 keeps the table long enough to span several pages.
15	Repeated header row 15	Body row 15 keeps the table long enough to span several pages.
16	Repeated header row 16	Body row 16 keeps the table long enough to span several pages.
17	Repeated header row 17	Body row 17 keeps the table long enough to span several pages.
18	Repeated header row 18	Body row 18 keeps the table long enough to span several pages.
19	Repeated header row 19	Body row 19 keeps the table long enough to span several pages.
20	Repeated header row 20	Body row 20 keeps the table long enough to span several pages.
21	Repeated header row 21	Body row 21 keeps the table long enough to span several pages.
22	Repeated header row 22	Body row 22 keeps the table long enough to span several pages.
23	Repeated header row 23	Body row 23 keeps the table long enough to span several pages.
24	Repeated header row 24	Body row 24 keeps the table long enough to span several pages.
25	Repeated header row 25	Body row 25 keeps the table long enough to span several pages.
26	Repeated header row 26	Body row 26 keeps the table long enough to span several pages.
27	Repeated header row 27	Body row 27 keeps the table long enough to span several pages.
28	Repeated header row 28	Body row 28 keeps the table long enough to span several pages.

No.	REPEATED HEADER LABEL	Detail
29	Repeated header row 29	Body row 29 keeps the table long enough to span several pages.
30	Repeated header row 30	Body row 30 keeps the table long enough to span several pages.
31	Repeated header row 31	Body row 31 keeps the table long enough to span several pages.
32	Repeated header row 32	Body row 32 keeps the table long enough to span several pages.
33	Repeated header row 33	Body row 33 keeps the table long enough to span several pages.
34	Repeated header row 34	Body row 34 keeps the table long enough to span several pages.
35	Repeated header row 35	Body row 35 keeps the table long enough to span several pages.
36	Repeated header row 36	Body row 36 keeps the table long enough to span several pages.
37	Repeated header row 37	Body row 37 keeps the table long enough to span several pages.
38	Repeated header row 38	Body row 38 keeps the table long enough to span several pages.
39	Repeated header row 39	Body row 39 keeps the table long enough to span several pages.
40	Repeated header row 40	Body row 40 keeps the table long enough to span several pages.
